Fire District Personnel: _____

We also ask that you follow these recommendations to help maintain equipment, keep operations safe and to preserve the relationship between the District and Blattner Brush Pit.

- The trailer can be loaded approximately 1 foot above the top of the trailer.
- Ensure all materials are not hanging over any side/sides of the trailer.
- Ensure branches are not pointing straight up as to preserve the tarp.
- Please DO NOT move the trailer once it has been placed by Fire District Personnel.

Thank you for using the brush trailer program. Our goal is to provide a safe and cost-effective means for our residents to remove potential fuels from their lot and work towards a Firewise future. We appreciate all your cooperation.
